# Art & Creativity: Tie Dye, Pottery Painting & Recycled Art

at Prairie School

**For 1st - 5th Graders**

We begin with an introduction to primary and blended colors with the students creating their own tie dye shirts, which are used as painting smocks for the remainder of the term. During the session the kids will be exposed to pottery painting using acrylics. Different concepts will be demonstrated each week as students investigate the many aspects of color, brushstrokes, sponging, dry-brushing, texturing, shading and more. Kids will come home with great self-esteem, confidence, and a love of art, as well as cool, colorful projects. Later sessions will build on these processes with the kids creating recycled art projects, and by the final session they will create a 'green' ceramic bowl, plate or mug, which will be fired and used forever at home. All finished art pieces will be glazed and glitter sparkled as selected by each painter and taken home at the end of the lesson. All art materials and painting smocks provided and are nontoxic, odorless and latex free.
