

Honor your loved ones who served with a commemorative paver brick

now available at

Veterans Park

You are invited to purchase a commemorative brick that will be permanently installed at Veterans Park.

The bricks are high-quality, filled with black lithochrome to protect it from the elements, and each one is guaranteed to last a lifetime.

There are 2 sizes of bricks available. The smaller 4" x 7" brick costs \$100 and can be placed near the specific branch of service monument of your choice, under the American Flag at the center of the memorial, or at the back of the memorial near the seating area. Personal messages are limited to 3 lines of 13 characters per line, including spaces and punctuation.

The larger 7" x 8" brick costs \$150 and can only go under the American Flag at the center of the memorial or at the back of the memorial near the seating area, not near the specific branch of service monuments. Personal messages are limited to 4 lines of 13 characters per line, including spaces and punctuation.

Money raised will benefit the Friends of the Parks Foundation and all brick purchases are tax deductible. Bricks are installed twice a year, in April and September. The Buffalo Grove Park District reserves the right to edit as necessary and determine the location of all bricks.

Name: _____

Address: _____

City: _____

State: _____ Zip: _____ Phone: _____

Location - Circle only one

Service Monuments Flag Pole Seating Area

Branch of Service - If brick is going near monuments:
