NEW Passing Assets To The Next Generation

How much will you really leave your heirs? You will learn that all assets are not created equal when passing them to your heirs. You will gain an understanding of how your assets will be taxed, tips for which assets are best to pass down, and which you should spend. For example, a stretch IRA can be a great strategy to lessen the tax burden. You will also discuss the pros and cons of estate planning techniques, such as wills, trusts, direct beneficiaries and joint ownership. CFP Theresa Harezlak will show you how to maximize the amount your heirs will enjoy and learn ways they can maximize their inheritance. Cosponsored with Harper College.

AARP Driver Safety Program

The AARP Driver Safety Program consists of two, 4-hour days, and is geared as a driving refresher for motorists age 50 and older; however, any licensed driver may attend. The class covers much of the information needed to pass the Illinois State license exam, and reviews the eyesight, hearing and physical changes that drivers experience as they age. Also included are safer driving habits, how to avoid driving hazards, changes in roadway conditions and safety equipment on your automobile. There is also a discussion of when to consider driver retirement. There is a new and updated curriculum being taught, with up-to-date audio and visual materials. Completion of the 2-day class may entitle the participant to a discount on their auto insurance. Please check with your insurance carrier for further details. The fee is \$12 for AARP members and \$14 for nonmembers. Bring AARP card to class.

Life Line Screening

Friday, September 27

Available to all seniors

Every year, more than 750,000 individuals experience a stroke and a third of them are under the age of 65. As many as one half occur without a warning. The good news is that vascular disease is often preventable and treatable. Problems can be detected early and taken care of before symptoms occur and become a big problem. Here is an opportunity to identify your risk. All results are sent to you and you will be referred back to your own physician.

Life Line Screening will be offering non-invasive screenings using ultrasound technology and tests stroke/carotid artery (CA), abdominal aortic aneurysm (AAA), peripheral arterial disease (ABI index), and osteoporosis. A new screening for atrial fibrillation, an irregular heart rhythm that is linked to up to 20% of all strokes, is now offered. Finger-stick blood testing for lipid profile (Cholesterol, HDL/LDL, Triglycerides) and glucose levels will also be available.

Stroke/Vascular Disease/Heart Rhythm ultrasound package (CA, AAA, AFIB, ABI) - \$139

Blood Package (lipid profile, glucose) - \$50 additional with ultrasound package

Osteoporosis - \$10 additional with ultrasound package

Appointments are required and will begin at 9 a.m. at the Alcott Center. Space is limited. To schedule or for more information call 800.324.1851.

NEW Dark Moments In American History

In America, Thomas Jefferson had slaves in a country with a Constitution that reads, "All men are created equal," and women could not vote until the 1920s. Americans fought a Civil War for reasons that should have been guaranteed in the Constitution. United States Presidents have ordered the overthrow of democratic leaders of sovereign nations. Join Dennis Bulat as these and other historical facts will be reviewed in the sometimes inconvenient history of the United States. Cosponsored with Harper College.
