

# Dance Class Rules

Please make sure to read and go over the dance class rules with your dancer.

- ☺ Arrive for your class 5 minutes before your scheduled time to make sure you are ready to go when class begins. If arriving late, please knock prior to entering class.
- ☺ Any dancer arriving more than 5 minutes after class has already begun may be asked to sit to stretch appropriately and watch class.
- ☺ Go to the bathroom before class begins as instructors as consistent interruptions prohibit learning.
- ☺ Wait quietly in the waiting area until the class before yours is dismissed and out of the door.
- ☺ Absolutely no food or drink in the studios at any time. Clear water may be brought in and placed on the shelves.
- ☺ Make sure to wear proper dance attire as listed in our dress code. Absolutely no jeans, skirts, loose or baggy clothes will be allowed. No jewelry in class except for small stud earrings.
- ☺ Hair **MUST** be pulled back off the face in a pony tail or bun. You will be asked to put your child's hair up if it is left down.
- ☺ Leave all outerwear in the waiting area, including shoes, boots, coats, etc.
- ☺ Do not bring any toys with you into dance class. Please leave them with your belongings in the waiting area.
- ☺ No cell phones in class. If you must bring your cell phone it must be turned off while class is in session.
- ☺ Do not wear your dance shoes outside! Wearing them outside of the dance room will ruin your shoes and track outside dirt into the classroom.
